Message from CEO / Founder of Helping Children Around The World (HCAW) Artra Green

After much thought and prayer, I realize at my age managing the non-profit for 10 years has become too challenging. Therefore, on December 31, 2024, Helping Children Around The World will be dissolved.

Donations will no longer be accepted after November 30, 2024. The remaining assets will be distributed among our various partners to provide food, clean water, school supplies, scholarships, and tuition to children in need.

It has been my highest honor, joy, and privilege for 10 years to serve children. I am grateful to God to have been blessed to take this worthy journey with such amazing people, like yourselves. The Board of Directors and I cannot thank you all enough for taking this worthy journey with us.

Thanks to all of you for donating approximately \$70,000.00 between the years 2014-2024. This made it possible to feed thousands of children and provide clean water after disasters hurricanes, floods, and fires. Also, thousands of children received school supplies, scholarships, and tuition.

It is with gratitude and thanks to our many volunteers who donated many hours of their time, making the corporation a success for 10 years. What a blessing each of you have been to children around the world.

Thank you for your: Prayers, Spreading the Word, Donations, Gifts in memory of a loved one, and Fundraisers

"Helping Children Around the World"

By Amanda Harrinauth

We seek to help children around the world. We should not let our black and brown children suffer anymore. In order to make it, we will need to shine a light on them, and it will need to shine bright.

What we should do is provide clean water, I think that would be so cool, a good education without hesitation is the number one rule.

Number three solar lighting, there is no fighting, when we can emerge from the darkness and be all we can be.

Let's visit places like Ghana, Haiti, and Puerto Rico. These children need us to help them stand firm and in return, one day they will be our future senators, doctors, lawyers. They can be whatever they choose.

Huge shout out to Miss Artra Green for starting Helping Children Around The World and helping children to have a vision and new hope.

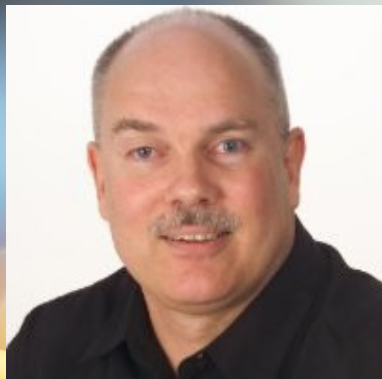

Artra Green CEO/ Founder of HCAW and The Board of Directors honor supporters of Helping Children Around The World who have made their transition within the past 10 years (2014 - 2024). We continue to speak their names and here is a photo of the banner we hung in the banquet room (HCAW Tea 2024) with each of their names. Their loved ones were given a candle in their honor.
